

Bill Anderson, CPP
Awards Committee Chairperson

Bill Anderson started a career in the Private Security industry in Toronto in 1984 as a Patrol Supervisor and joined a GTA police service that same year. He has over 30 years background in military, security and policing fields. He has worked various supervisory & training positions, uniform response, marine search & rescue and as an investigator, a position in which he continues as a current serving police officer.

In 2005, Bill started a new consulting firm, Anderson Protective Consultants (APC) that provides security consulting, workshops and corporate services. He currently sits on Boards of Directors in Hamilton with the MS Society and is involved with numerous volunteer organizations. His experiential and educational background includes criminology, business management, Crime Prevention Through Environmental Design and Terrorism / Organized Crime Interdiction. Bill remains an active member of several professional associations.

Bill joined ASIS International in 2005 and earned his Certified Protection Professional designation the same year.
