

## **James W. Bradley, CPP, PCI – Investigation & Operations Manager**

Jim has been working with the Profile Group of Companies since 2005. Jim started originally with Profile Security Integrated Services and assumed his current position with Profile Investigation Inc. as Investigation & Operations Manager in August of 2007. Jim has over 20 years experience in all aspects of security management including crisis management and emergency planning, investigations, executive protection, integrated security systems design and risk management. Jim's experience includes 9 years as Security Manager with Canada Post and 5 years with Trammell Crow as National Security Manager. Jim is in his second term as the Toronto Chapters Education Committee Chair and facilitated the chapters first PCI study group in 2008 and earned his Professional Certified Investigator accreditation in 2008. Under Jim's tutelage several of Profiles investigators are preparing for their PCI examination.
